Sir,

SECRETARIAT

Simha 3/9

Subject:- Schedule of Rates for Under-ground Drainage Works for 1954-55.

In reply to your letter No.5014 dated 30th July 1954, I enclose herewith a detailed data for the item No.12 for the work of providing and fixing glazed stoneware junctions pipes of B.S.S. quality right angled or oblique and caulking with hemp dipped in cement and jointing with cement mortar 1:2 proportion including testing with water etc., as required. The rate for this item works out to Rs.27-14-0 per junction. As the prevailing market price of 15" x 4" S.W. pipe iteself is Rs.25/- the rate for this item has to be suitably enhanced.

With regard to item No.35(a) arrangements for deviation of sewage, I wish to state as follows:-

Arrangement for temporary deviation of sewage work during execution for and laying of S.W. Pipes by the side of existing open sewage drains or hallas flow of sewage will have to be suitably done temporarily by putting up a cross bund across the drain higher up and leading the sewage through C.I. pipes or open drains or thfough some other device to a point below to enable the work to be taken up in any particular length. After the sewer line is laid these temporary arrangements are to be removed and any earthen drain cut for the purpose will have to be filled and made good.

The specification for the item is now modified to read as follows:-

Arrangements for temporary deviation of sewage by putting up a cross bund at the upper end of the working Section and deviating the flow of sewage for the duration of the period of work in the Section through an open channel C.I. Pipe or some other suitable device including keeping the channel free from obstructions or silting during the working period and removing the temporary arrangements - - after the sewer line has been laid and making good the surface.

The Schedule of Rates of Drainage Section for 1954-55, City Improvement Trust Board, Bangalore, received under - - reference is retransmitted herewith for early return after approval.

Yours faithfully,

(R. Madhavan)
Chairman.
